# Join us in building
# The Future of AI ✦

## We're hiring

### Open positions

- ✦ AI Engineer
- ✦ Business Analyst
- ✦ Software Developer

Yuma is an end-to-end digital transformation group based in the Benelux. AI, data, and software development are key drivers of change, but people always come first. We believe there is no digital transformation without human transformation. That's why we combine a people-centric mindset with a hands-on approach and best-in-class expertise.

## Join us

With a team of highly qualified experts, we deliver projects across Belgium, The Netherlands and internationally. We build smart, responsible AI solutions that solve real-world challenges and create meaningful impact, for organizations and the people behind them. Our experience spans a wide range of industries, including Healthcare & Pharma, Mobility, Energy, Legal Tech, Automotive, and more.

## Why work with us?

We offer a wide range of advantages such as:
- ✦ Continuous training & learning
- ✦ Teamwork & collaboration
- ✦ Supportive & inclusive culture
- ✦ Career growth opportunities
- ✦ Teleworking & remote work options
- ✦ Additional holidays, competitive salary & benefits

Offices in Louvain-la-Neuve, Brussels & Leuven
